## The Dimmer VIEW

By MAX GOODWIN

He was an ingratiating little fellow with thick lens glasses and a cigarette dangling from his mouth.

He occupied the desk across from me for two months and hardly a day passed that we did not talk about doing some work on a project that was good for the community. He worked hard at the Polio Fund Drive and appeared interested in getting more school and more recreational facilities for the area, and a better break for our boys and girls.

He was a competent reporter. His name was Raymond Spencer and people in the area had a feeling of sympathy for the little guy whose clothes were always a little rumpled and little threadbare.

Then it happened! Like a scene from Dragnet, two federal officers walked into our office last week while Spencer was helping me put the paper together and in Spencer's presence recited a Florida indictment. He didn't deny the charges nor argue. He started to walk into another office as if to get his belongings. The federal men called to him. He turned. They whipped out manacles and without any further ado they marched him out.

He was charged with using the mails to defraud while he lived in Florida. He apparently sent out letters to various individuals and groups on things like "Get Rich Raising Chihuahuas" and "100 Ways to Raise Money for Your Club." The investor would send in the four or five bucks required and soon learned that the best way to build a fortune is to earn it and not send part of it off on a wild-goose get-rich-quick scheme.

The shock of having the pleasant little guy yanked out of the office in the midst of a workday is indescribable. It is even more puzzling why a man with his ability should try to go it the hardest way in life. . . . the way of a lawbreaker. More than that, he makes it tougher for worthy fellows, down on their luck, to get aid.

—o—

We had a visitor in our office from Indianola Record, Iowa last week. He was Don Berry, publisher of the Indianola, Iowa Record Herald, and he was doing what the publisher of every weekly (and most daily) newspapers dreams of doing . . . just traipsing about the countryside talking to others in his profession about matters to do with the newspaper industry.

At 76 Berry is bright and witty. He has not accumulated the cynicism which too often shows through the conversation of persons with fifty years in the profession of newspapering.

If we are ever able to afford a tour of the nation, one of the places we intend to visit is Indianola where we will repay Don Berry his visit and contiue our discussion regarding the philosophy of publishing a weekly newspaper.

A newspaper editor hears a lot of the community's gripes during his week of work and to these

### TURNBULL'S HEART SKIPS BUT HE IS RESTING WELL

Ollie Turnbull, 1145 Sweetwater Road, is resting comfortably at home this week. He suffered a heart failure late last week and Dr. F. F. Beretta, of Rees-Stealey Clinic ordered him to bed for one week.

Turnbull should be back on his route for the REVIEW early next week. He is advertising manager for the newspaper.

## Benefit Show Tickets Selling At Brisk Pace

Tickets for the Lemon Grove-Spring Valley night showing of "The Ten Commandments" are selling at a brisk pace, it was announced this week by Paul Reynolds, treasurer for the event. The "night" will be Friday, March 22 at the California Theatre and is being sponsored by all local groups and clubs with the profits from the event going into a fund to purchase band and orchestra uniforms for the music students of Mt. Miguel High School.

The project was underwritten by the Lemon Grove Kiwanis Club but other local groups are giving enthusiastic support, reported Kiwanis president Dr. Si Brumbaugh.

Among those actively engaged include: Rotary Club; Lions Club; Business Women's League; Woman's Club Juniors; Mt. Miguel Band Parents Club; Helix Band Parents Club and the Spring Valley Lions Club.

Thirty cents of the amount collected on each ticket will go into the uniform fund if the entire lower floor of the California Theatre is sold. There are approximately 1,000 tickets involved. About half the necessary amount has been sold Reynolds said.

Tickets are now on sale at Cressy's Dry Goods, The Highlander Store for Men, the Lemon Grove Review, the Lemon Grove Education Center, and by members of the Kiwanis Club. Tickets have been distributed to members of various church and civic organizations.

For additional information Reynolds may be called at HO 9-4234 or HO 9-1518.

## SO THAT'S WHY IT'S SPRING!

Next Thursday comes the vernal equinox.

To the less scientific that means Spring has come.

Spring comes each year on March 21. Here's why:

The earth's axis continually points in the same direction, and if the axis were perpendicular to the plane of the earth's orbit around the sun there would be no change of seasons. Day and night would everywhere be of equal length and equitable conditions of temperature would prevail.

But the axis is tilted 23°27' away from the perpendicular to the orbit, and only in March and September is the axis at right angles to the direction of the sun.

In those months occur the equinoxes, when day and night are equal the world over.

## Uses Auto To Snap Off Lights

The lights in part of Spring Valley were off for quite some time last Wednesday night, when an automobile severed a light pole on Sweetwater Avenue, near Ildica Street.

According to the report from the California Highway Patrol, Richard F. Nara of 9923 Dolores Street, Casa de Oro, ran his car into the pole. By doing so two wires were brought low, shorting out a fuse. Service of the lights in south Spring Valley were cut off until midnight. Several other houses received no service until about 3 a.m.

The Highway Patrol said that Nara probably fell asleep. He was given the alcohol test but it proved negative. He was not cited, Nor was he injured.

## Chamber Plans 'Council' To Air Local Problems

The first hurdle in what the Lemon Grove Chamber of Commerce expects to be a "town council" was cleared at a special meeting of the group Friday.

At the same time seven new members were added to the directorship in line with newly approved by-laws.

Conception of the new group came about two weeks ago at still another chamhber meeting when W. Earl Smart, the group's president reported that "pressures from all sides" made it mandatory that the chamber take a "major progressive step" to attempt to determine if additional community services were actually needed, and if so, what these services should be.

"One of the first things we faced with our new board this year was the need for a dynamic program to publicize our community. We have already started this by way of the Booster's Club, under the guidance of our vice president Ted Skelley." Smart said.

"Efforts on the part of those who want Broadway improved, streets lit, sidewalks installed and other community projects instituted have made the board determined to examine what actual wishes of our citizens are." he stated.

Smart said that official representation would be asked of all organizations in Lemon Grove for a study session and for recommendations next week.

"If the concensus of opinion is that the town requires no changes we well attempt to make that philosophy a part of this year's chamber program. If the representatives indicate that we need one or more additional services locally, I will ask the board to spearhead a movement to acquire the things for the community most persons want." Smart said.

"We have recently grown up as a community and the chamber is willing to accept the challenge of adult activity in the scheme of things, but we expect to do this one step at a time." he said.

New board members and their business connection include:

N. R. Flannery, Lemon Grove Tire Company; E. M. Newton, Lemon Grove Stationers; Joel Artavia, Riteway Builders; Marshall Adams, Morrison-Adams, Jewelers; John Hatz, Sprouse Reitz Company; William Paul, United States National Bank; and Paul Louer, Artcraft Signs.

The "town-council" meeting will be held at the junior high school cafetorium and all recognized organizations will be notified by the chamber of commerce secretary by mail.

### Miss McBride Engaged

Mr. and Mrs. Cremar H. Bailey of 3569 Fairway Drive, La Mesa, announce the engagement of their daughter, Marilea Lonace McBride, to Glenn George Clark, son of Mr. and Mrs. Doran R. Clark of 5012 Thorne Drive, La Mesa. The wedding has been set for June 29th.

Miss McBride is a graduate of Grossmont High School and her fiance graduated from Helix High School.

## LETTERS TO THE EDITOR

Dear Editor:

At the largest all-member meeting in its history, with well over 400 people present, The First Congregational Church of Lemon Grove last Sunday afternoon and evening, in a four and three quarter session, reaffirmed it's sense of unity.

It voted unanimously for a resolution commending the Reverend Bruno Pueschel, recently resigned associate pastor, for the fine work which he had done during the 2¼ years with the church. It also gave the Reverend Dan Apra a long and hearty round of applause as the expression of confidence in his continuing spiritual leadership.

The meeting, moderated by Judge Luther Hussey, also expressed confidence in the board of trustees. Some matters of policy which have not been clearly defined by the church constitution were voted to be matters for further study and recommendation by a constitution committee.

Reverend Walter Smith, pastor of the Mission Hills Congregational Church and moderator of the San Diego Association of Congregational Churches, who took part in the meeting, reported that the action and attitude expressed by the church members were clear evidence of the democratic reasonableness and the spiritual maturity of the church membership. He commended the entire church membership on the honesty and spirituality of the long and difficult gathering.

Those who stayed for an informal aftermeeting chat were of the opinom that the program of the church will be carried forward with renewed dedication to the work of Jesus Christ. They also felt that wounds will be quickly healed, and that spiritual life of the church will be deepened.

Sincerely,
Bud Coffin
Publicity Chairman

## BETTS TO TRY FOR STATE CONTROLLER'S OFFICE

Bert A. Betts, a certified accountant of 8145 Palm Ave., Lemon Grove announced he would seek the post of State Controller in the 1958 election.

He would bring to the post of State Controller a wide and desirable background of experience in accounting practices.

Betts, long active in school board and state C.P.A. affairs, ha, for the last two years, been a member of the State C.P.A. Committee on Governmental Accounting. He is secretary of his local C.P.A chapter.

The candidate for controller is married and has six children. He was born in San Diego in 1923, graduated from Hoover High, and received a BBA degree at California Western University, taking graduate work at San Diego State. Betts was a first lieutenant pilot in World War II, received the DEF Air Medal, and three oak leaf clusters. He operates his own accounting practice.

He was elected to the county Democratic Central Committee in

BERT BETTS

1956. He is a Master Mason and member of the Lemon Grove Masonic Lodge.

Betts is vice-president and former president of the Lemon Grove School Board, a director of the Chamber of Commerce, a member of Lions International, of the National Association of Cost Accountants, the American Institute of Accountants and the California Society of Certified Public Accountants.

Should Betts be elected it would be the first time in this generation's political history that a county resident has held a state constitutional office.

Controller's Office is the third highest in the state, politicians at the state level say.

Betts seeks the post to be vacated by Robert Kirkwood, who will run as candidate for the U.S. Senate.

### Cafe Man Loses Bout With Utility Pole

E. K. "Doc" Shaw, operator of the Lemon Drop Cafe in the Grove Theatre Building was injured slightly Monday evening at 10:45 when his auto hit a utility pole at Broadway and New Jersey.

He was taken home by the Highway Patrol. Tuesday he registered in at Grossmont where his condition is reported as "fair."

## Market To Be First In Series In Grove New Shopping Center

Plans to build a new Food Basket Super Market in Lemon Grove were announced here this week by Gerald A. Awes, executive vice president and general manager of Lucky Stores, Inc., and head of the Food Basket Division. It will represent a total investment of $725,000. Construction will start in April and the store should be ready for occupancy in late summer, he said.

Largest of all Food Baske Super Markets, the Lemon Grove store will contain over 30,000 square feet of floor space, featuring the latest innovations in super market design and services.

Seventh in the Food Basket group, the new store will be located on Imperial Avenue between Golden and Central, south of the new First National Bank Building. Land area includes 100,000 square feet, comprising the first unit of a new shopping center for Lemon Grove residents.

The Food Basket building will lie approximately 250 feet south of the bank extending east and west. It will abut the present Youth Center building.

Developers of the property said that Food Basket is being situated so as to provide adequate parking for the shopping center. The shopping center, it was said, would be comprised of a variety of shops, all handling products designed to meet the community's booming population needs. No specific firm's name, except Food Basket, was released, however. Negotiations are being handled by the Percy H. Goodwin Company of San Diego.

"Many residents of Lemon Grove, who have been trading in our stores in other parts of the the city, have encouraged us to establish a super market in their immediate area", Food Basket's Awes pointed out. "Our decision to build here is the result of a comprehensive survey of the potentialities in this locality. It is our expression of confidence in the future growth of Lemon Grove itself."

Building architecture has been designed to harmonize with the area in which the store will be located. Food Basket stores, Awes said, are noted for attractive interior and exterior color schemes. Special attention will be given to "wrap-around" parking facilities, with ample, roomy stalls for customer convenience.

Increased floor space will be devoted to special displays of frozen foods, and will include one of the largest selections available anywhere in the state. In addition to departments for meat, produce, delicatessen, groceries, drugs and sundries, the bakery department located on the premises will offer fresh baked products daily. The store will carry a fancy foods selection along with staple items. The same wide range of bonded meats and choice food stuffs, for which Food Basket has won fame, will be handled in the new super market, Awes said.

All customer conveniences found in other Food Basket stores will be incorporated in the Lemon Grove super market, including "magic-carpet" doors which open and close electronically. A special check-cashing booth will be installed. Check-out lanes are designed for speed with minimum delay. Automatic weight-computing machines will minimize possible errors in packaging. The store will be wholly air-conditioned with filtered, washed air.

Founded in 1949, Food Basket built its first store at El Cajon Boulevard and College Avenue. The six existing Food Basket Stores, located in Point Loma, Pacific Beach, Chula Vista, La Mesa, University and College Center, now have an annual volume of $19,000,000 with 300 full-time employees and 100 part-time workers.

## Church Meeting Draws 400

More than 400 members of the Lemon Grove Congregational Church met Sunday afternoon to discuss church policy.

Request for the meeting had come from a group which listed seven items to be discussed for possible change. Membership voted for no changes in policy but referred some constitutional matters to committee for further study.

A resolution commending Reverend Bruno Pneschel who recently resigned, was voted unanimously. Judge L. N. Hussey, was moderator of the meeting. Reverend Dan Apra is pastor of the church.

## Another Men's Club President Quits Due To Club's Inaction

Joseph Cannizzaro resigned Friday as president of the Lemon Grove Men's Club. He said that not enough enthusiasm could be generated to accomplish anything.

He complained that committees he had appointed had not come back with reports. They had not even come back as members, he said.

The attitude of the few members present for Friday's meeting was that the organization should revert to a social club where men could eat and relax each Friday and absorb whatever program that might happen along.

It was not announced who would preside at subsequent meetings, nor what the programs would be. A meeting will be held Friday at Michael's at noon it is believed.

## Another Wing Planned By Dist. Hospital

The Grossmont Hospital District this week approved first plans for an additional wing of 143 beds to the present 105 bed establishment. Cost will be approximately one million eight hundred thousand dollars. The present building was completed in August 1955. The new wing will jut at right angles to the east end of the present building. Pereira and Luckman, Los Angeles architectural firms which drew plans for the original building, also developed the schematic plans for the new wing. The new wing will extend north and south, paralleling the Jackson Street approach. Application has been made for Hill-Burton Act funds which, if approved, will provide $1,200,000 provided the district adds $600,000 to it according to Marvin Jackson, board president.

The district currently has $173,087 in unexpended bond funds that can be used for this purpose.

Louis Peelyon, hospital administrator, said that an average of 150 persons a month have been turned away from Grossmont due to overcrowding.

Peelyon said that approximately 150,000 persons reside in the 730 square mile hospital district. When the district was formed, he said, the population was estimated at 68,000.

Since 1953, two years before the hospital was completed, El Cajon has increased 51% in population, La Mesa increased 45%, and Lemon Grove 31%.

On the current population basis Grossmont provides 1.2 beds per 1,000 people in the district. By national standards, according to Peelyon, the district needs 3.5 beds per 1,000.

## Accidents Few At Campo-Freeway

The intersection at Campo and Freeway, just east of Lemon Grove, is not contributing to traffic hazards the California Highway Patrol and the State Division of Highways announced this week.

Reports reaching this newspaper that "3 to 4 accidents per day" were occuring at the La Mesa-Lemon Grove-Casa de Oro intersection have been found to be without foundation.

Clyde Pettit, accident investigator for the State Highway Patrol said the Patrol had two accidents of record since January 1st. The department, he says, keeps an up-to-date pin map on all accidents and the intersection in question is "not a problem."

Ralph Lukenbach, assistant district engineer for the State Division of Highways said that he had studied the problems of the intersection at considerable length and it appeared that it was simply a problem of "heavy traffic." The Division, he said, will continue to watch and additional "channellization" might be the answer to heavier traffic.

## Grossmont Committee Determined On Junior College Study

Grossmont Union High School District's Citizen's Advisory Committee has passed a resolution requesting the Grossmont School Board to apply to the State Department of Education for a study of a junior college in this area. The resolution—"This committee recommends that a survey for a proposed junior college district take precedence over any other study of school district organization because it is believed that any joint study would be a complete block to the consideration of a junior college so urgently needed in this area"—met unanimous approval at the March 6 meeting in the music room on the Grossmont campus. The resolution rose out of reactions to a March 4 meeting of boards of trustees of the eleven school districts in the area when it was made known that the Cajon Valley Board had requested a study of school district reorganization within the Grossmont Union High School District.

"It is believed by the CAC," said Chairman Arch Gerard, "that to study the problem of the junior college with the controversial subject of school district reorganization at the same time would result in no action on either, and we feel the need for a junior college is too urgent to be side-tracked."

If the survey should be made with a favorable report, an election and majority vote by the citizens in the area included would be required to establish the junior college district.

Thirty members of the CAC heard Ed Clark, chairman of the sub-committee studying school district organization, J. C. Wilson, junior college committee head, and District Superintendent L. F. Smith. They also passed a resolution supporting AB 185, a bill authored by Sheridan Hegland in the State Legislature, which would provide financial aid for the construction of junior colleges in the state.

## Beer Better For Teeth Than Candy Says Speaker

"It would do less harm, physically, to sell youngsters cigarettes and beer in school cafeterias than to sell them candy bars and cake," Dr. Joseph Engholm, a Pasadena dentist and dental authority told more than 400 persons who attended the San Diego County Dental Society's 9th Annual National Children's Dental Health Week luncheon last week.

He said that many school cafeteria managers insist on selling sweets containing refined sugar because they claim there is a need for the income. This is the greatest contributor possible to tooth decay, he said.

Unrefined sugar inhibits the assimilation of calcium forming foods . . . those which build sturdy bones and strong teeth. Today's dentist, he said, must be concerned with health of the patient as it affects his teeth, as well the repair jobs he is called upon to do.

"Its as reasonable to sell cigarettes and beer if only the profit motive is to be considered," Dr. Engholm added.

Ten youngsters from throughout the county were awarded trophies in the 1957 Dental Health Slogan Contest. Dr. E. L. Casares presided. Dr. Robert Swenson of Lemon Grove was chairman for this area.

☆ Merit pay for teachers, which had been declining in popularity, is now taking a slow upward trend again.

## Beer, Fag Taxes Not Tabbed As School Income Says CTA Head

San Francisco, (Special)—Jack Rees, president of California Teachers Association, last weekend lashed out at persons who "either to mislead the public or through inexcusable ignorance" are circulating the statement that cigarette and beer taxes sponsored by the CTA would be especially earmarked for the public schools.

Rees spoke here at a meeting of the CTA committees on financing public education and legislation.

CTA is sponsoring at this year's session of the State Legislature a tax of three cents per package on cigarettes and an increase in the tax on beer from two to ten cents a gallon.

"Neither of the proposed tax measures" said Rees, "earmarks the revenues for public education. The money from the taxes would be no more earmarked for the schools than are monies raised by the sales tax, the income tax, the present beer tax, the tax on horse race bets, or any other state levies.

"California Teachers Association has traditionally opposed earmarking of any taxes for school purposes. In sponsoring the tax legislation this year we have not departed from that policy."

Present state tax is 2c per gallon. There is no per-package state tax on cigarettes.

**Military Service**—M/Sgt. Roderick C. Davis; National Guard; Chief Roger Price; Navy; Sgt. L. Philson, Air Force; Staff Sgt. Al Masi, Marines; and SFC Merle L. Blow, W.A.C.

Speakers also represented cadet teaching and gas and electric company.

Mrs. Ruth Martines, Grossmont social studies teacher was the faculty general chairman, and Susanna Davis, senior, was general student chairman.

Friends:

We're marking the birthdate of St. Patrick next Sunday at O'Solimine's.

St. Paddy, unfortunately, cannot be here, but certainly and for shure, his spirit will be.

We'll be servin' huge orders of corned beef and cabbage all day Sunday and you can have your favorite cocktail or brew set to color . . . and that color is green. Just the way St. Paddy would have wanted it.

This is my personal invitation to come out to O'Solimine's for the celebration of the grand day.

As an added attraction, we're going to celebrate the retirement of a popular figure by also procialmin' it Michael "D. A." Gleason's Day.

## Grossmont Hospital Ladies Make Plans For Auxiliary Fiesta

Four areas of Grossmont Hospital Women's Auxiliary are holding meetings this week, among them Lemon Grove—which met on Tuesday, in the home of Mrs. John Landesco. The area's chairman, Mrs. W. K. Phillips, presided, and the co-chairman, Mrs. Robert Sutton, was co-hostess.

Spring Valley, one of the two areas holding meetings next week, will meet on Thursday, March 21, 9:30 a.m., in the home of Mrs. Thomas Smith, 2227 Sweetwater Road. The chairman, Mrs. N. T. Henkle, will preside.

Conversation over social coffee cups is a popular feature of these area meetings; this month's major topic being the auxiliary's "fiesta," which will take place on July 12, at El Nadadero, El Cajon. A great deal of preliminary planning is going on; the fiesta will be a big affair, enlisting the talents and capabilities of all members.

New members and interested guests are usually welcomed at these area members; which are held in January, March, April, June, September, and November.

## Goodbye To Books In SV

Mrs. Bernice Hill, owner and operator of "Bee's Variety Store," at Central Avenue and Troy Street, in Spring Valley, has been notified that she must vacate the building within the next sixty days. She has been at the same location for about eight years.

The Spring Valley branch of the County Library has also been located in the same building, with Mrs. Hill as librarian. All the books have been returned to the main library in San Diego. According to Miss Hahn, head librarian for San Diego County, a request to the Board of Supervisors has been made for a temporary Spring Valley library, until such time as a permanent building has been secured.

Miss Hahn is of the same opinion as the Spring Valley Coordinating Council, that a committee be formed in Spring Valley from citizens of the various parts of the Valley, to decide on one specific location for a library. The County was offered a piece of ground by the Chamber of Commerce several months ago for a library, but no definite action was ever taken.

As to the disposition of the building in which Bee's Variety Store has been located, there is nothing definite.

## "Fanny May" To Help County Construction Activity

U. S. Senator Thomas H. Kuchel R. Calif. has announced that California will be the first state to benefit from a liberalized Federal program to stimulate construction of multi-family rental housing.

He predicts that the total program will result in construction of approximately $100,000,000 worth of rental units in San Diego area.

"In order to help ease a critical housing shortage for workers in defense plants, the Federal National Mortgage Association ("Fanny May") has agreed to issue advance commitments to buy FHA-insured mortgages on large-scale projects. Previously, "Fannie May" commitments were limited to single-family units."

"Intensified defense production in San Diego has made the housing shortage more acute and necessitated extraordinary steps to clear the way for more housing construction. The situation resulted from orders for greater output of F-102 jet airplanes and prospective production of the Atlas intercontinental ballistics missile at a new plant being erected near San Diego."

"The new policy being applied to San Diego will be followed generally. It is being carried out first in San Diego because of the lack of normal financing required to overcome the urgent housing need."

Under the program, FNMA mortgages on multi-family rental will issue commitments to buy units at 93 percent of par. The FHA will make an economic feasibility survey and decide the total demand for housing accomodations at rents sufficient to pay the mortgages.

## Mr. Rose, Even By That Name, Is Roly-Poly Infant

Mr. and Mrs. (Lewis and June) Rose live at 3250 Par Drive, in Brookside. Up to February 22 of this year, Lewis and June had been blessed with two children, both girls: Kathlene 7, and Donna 3.

Then on Washington's birthday, a son arrived at Sharp Memorial Hospital, weighing 7 pounds and 6½ ounces. But then, and up to now, the little lad has not been named, although the parents have racked their brains and wrote list after list of names.

But the climax came when June took her number one son to the doctor for a checkup. When the doctor asked June the son's name, she smilingly replied, "Oh, just call him Mr. Rose."

Incidentally, Papa Lewis is manager of the Alvarado Drive-In Theatre. The Roses have lived here over 6 years.

SOME OF THE MANY REASONS WHY DRY CLEANING FROM OUR PLANT LOOKS BETTER — AND IS BETTER!

- Bill shows clothes being transferred from $12,000 cleaning machine to tumbler for deodorizing. Solvent and detergent added. Result — 100% Dry Cleaning — No washing done.
- Your garment receives individual attention. We do not use "economy measures" of mass production — our doors (front and back) are open at all times — and you are invited to see for yourself.!

# Girls Camp Fire To Glow In County Next Week

Mrs. Arthur Thivierge, Brookside, has been named local chairman for the 47th annual birthday week of the Camp Fire Girls.

It will be marked with a Birthday Fair March 17 to 24 in the Conference Building in Balboa Park. The Fair will be open from 2 to 5 p.m. daily.

There are more than 3,000 Camp Fire Girls in the county and many of them will take part in this annual event.

Open to the public, the Fair will feature outstanding exhibits of craft work and samples of many types of program activities carried on by San Diego Council of Camp Fire Girls.

A brief program will feature group singing by combined Blue Bird and Camp Fire units, led by Charles Cannon, star of the San Diego Star-Light Opera.

The Birthday Fair, based on the theme "Together We Make Tomorrow," is one of hundreds of celebrations of the founding of Camp Fire in 1910 which will be observed from coast to coast by more than 400,000 Camp Fire Girls.

Eighty-five Horizon Club members of the San Diego Council wil join 700 other members of Camp Fire's senior high program from Southern California and Arizona in celebration of national Camp Fire week at the regional Horizon Club conference to be held March 16 in Los Angeles.

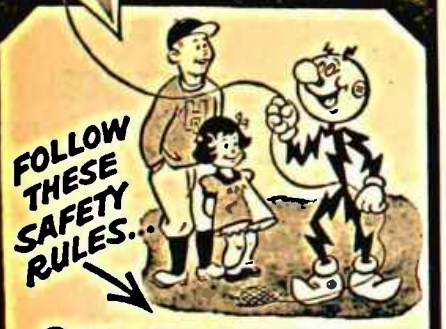
BOYS, GIRLS... FLY KITES RIGHT!



1 KEEP KITES AWAY FROM ELECTRIC WIRES!
2 USE DRY COTTON STRING!
3 NEVER USE METAL ON KITES!
4 NEVER CLIMB ELECTRIC POLES!

Be careful when you fly your kite this year. Don't fly it near ANY wires. Don't use wire or wet string. Don't climb a pole to rescue your kite...it isn't worth it. Play safe and follow Reddy's simple rules above.

# Newcomers Swell Ranks Of Townspeople, Come From All Over

Newcomers to Lemon Grove continue to join the Newcomers' Club. Latest additions to this fast-growing group, who signed their membership cards since our last report, are:

Mr. and Mrs. E. O. Olermann, 563 Bakersfield, Lemon Grove. They had owned their home three days when interviewed by our reporter. Mr. Olermann is a retired Navy man, and they came here from Philadelphia. They have no children, but they have a phone, HO 3-2532, in case you want to welcome them to our city. It is pleasing to us to note the increase in our local Retired Service Group, and we note that;

Mr. and Mrs. James Spillman - he is a Retired Army man, are living at 1656 Colfax, having come here about two months ago. Two children, David, 2 years and Johnny, 1 year, serve to fill Mrs. Spillman's idle hours. The family came here from Portland, Oregon.

Both the Olermanns and the Spillmans subscribed to our newspaper.

Mr. and Mrs. B. P. Blackorbay, 2045 Eldora, Lemon Grove, have owned their new home about two months, coming here from Loveland, Colorado. They have no children, but their phone number is HO 6-9391. Sure, Mrs. Blackorbay subscribed for the paper. "I like to read about my nighbors and my home town."

Mr. and Mrs. Reid Abbott, 8375 Lincoln, have owned their new home 3 weeks, have two boys, 7 and 5 years and a 4 year-old girl to boss the family. They formerly lived at 3775 Citrus, Lemon Grove, so they are not exactly "New comers." Their phone is HO 9-2661. Mr. Abbott is a carpenter, and has helped build a number of Lemon Grove homes.

Mr. and Mrs. Earl Anderson moved here from Pacific Beach, ha been in their new home at 3015 Washington two days when this reporter called. Mr. Anderson is an automobile mechanic. A girl of six and a boy of ten years make things lively when Daddy comes home, also will add to School Daily Attendance income for the District. You parents know, of course, that every day that your offspring misses school, without having a legitimate excuse, the District loses $1 in cash from the State.

Second family to hail from Loveland, Colorado, is Mr. and Mrs. W. J. Herchroenroeder, who own the home at 2115 Glencoe, Lemon Grove. They have two children, a young lady of 22 and a boy of 17 years. The Mister is employed by Drew Motors, and their phone is HO 3-2925. Give 'em a ring soon and if you are from Colorado you may know somebody they know, "back home."

Mrs. Mabel Kendrick, 1894 Eldora, a widow, moved here from Los Angeles about a month ago. She has no children here, but has applied for a phone, and subscribed for the newspaper. In fact, every one of the families mentioned in this story subscribed for this Gazette. — D.H.

# Rev. Best Is New Pastor At Nazarene Church

Rev. Paul Best reventy of Riverside, Calif., has taken over the pulpit of the Spring Valley Nazarene Church on Bancroft Drive. He succeeds Rev. Kaldenberg, who has gone to the state of Washington.

Rev. Best and his family have taken over the home at 3738 Fairway Drive, Brookside. Three children bless the Best home; David, 6½, Dale, 5, this birthday was last Friday, March 8th, and Robin Elizabeth, 2½. The reverend was born in Whittier. His wife Marjorie was born in Missouri, but was reared in Southern California.

# Free Board For 1-15 Years For 'School-Breaker

Benjamin Wayland Grise, 30, was sentenced Monday by Judge Hewicker, to 1 to 15 years in prison, he having confessed to breaking into Helix High School typing classroom on January 6 and stealing 31 typewriters, valued at $4500. No insurance is carried on the machines, the rate being prohibitive. The machines were later recovered.

Alert, sharp-eyed Highway Patrol officers Earl Volles and C. R. Austin, cruising just north of Tijuana port of entry, saw two figures working with an auto, trying to get it started. The officers investigated, found the car loaded with 14 typewriters. Both the culprits admitted taking 31 machines from Helix High School typing classroom. The other 17 machines were found under a brush pile.

A probation report said Grise also confessed taking 17 typewriters from Chula Vista High School about a month previously. The report said Grise and Robert W. Miller, 26, of 2322 E St. broke the window of the typing classroom at Helix and hauled the machines away. The Chula Vista typewriters were sold in Tijuana at $25 to $30 each.

The burglary charge against Miller was dismissed Jan. 11 by Judge Garfield of El Cajon Municipal Court, on motion of the prosecution. Miller was committed to state tubercular hospital on complaint of a county health officer.

Grise is an arrested tubercular, friends said in court.

Looks like he is an arrested burglar, as well. D.H.

## TWO MORE DELIVERED BY STORKAIRE

Old Doc. Stork's Air Express stopped for refueling at Grossmont Hospital February 27, and picked up two sturdy babies consigned to Lemon Grove, a boy and a girl.

Mr. and Mrs. J. T. Kennedy, 2055 Ensenada, welcomed the boy, who weighed 7 lbs - 5 oz.

Mr. and Mrs. E. L. Dale, 7933 Lester, received a 7 lb. - 9 oz. girl the same day.

Babies born at Grossmont Hospital between February 21 thru February 27 numbered 29, who will live in Campo, La Mesa, Chula Vista, El Cajon, Dulzura, San Diego, Lakeside, (two girls), and Lemon Grove.

Just goes to show that Grossmont Hospital has customers from all parts of the District. While we don't claim San Diego as part of the area, we are glad to have their baby trade when occasion arises. D.H.

# 12% Of All School Children Mentally Disturbed Says EC School Psychiatrist

A health building is to be constructed in El Cajon somewhere around August of this year, it was brought out at the Town Meeting at Grossmont High School last Wednesday night. The people of the area are urged to get behind a move, suggested at the meeting, to have a Mental Health Division established in the building, which would serve this area.

The Town Meeting, sponsored by the Spring Valley Coordinating Council, the El Cajon Coordinating Council, the Association of University Women and the San Diego County Board of Supervisors, had a panel comprising Claude Townsend of the Community Welfare Council; Robert Randall, of the Juvenile Division of the Sheriff's Dept.; Dr. T. Richmond Barbour, Director of Guidance of the San Diego City Schools; John T. Warburton, Principal of Grossmont High School; and Rodney Franklin, Psychologist of the El Cajon Valley School Dist. Three discussion groups were formed.

Dr. Barbour, speaking on juvenile problems, stressed the point that parents should know how to raise their children. He said children are set in their ways before they reach the age of 5, and they should feel secure through love and care (physically and mentally). Dr. Barbour said that if a child rebels in his early age (the average is 1½ years) he should be corrected, not by abuse, but by love. If a child is abused, he pointed out, there is a greater chance of him becoming a delinquent. It is possible for the child to be delinquent at the age of 5. Dr. Barbour further stated that mothers are needed in the home and they should seek advice on the child problems.

Rodney Franklin said that according to his figures 12½ percent of all school children in the city and county schools are disturbed, with 2½ percent mentally. He said that with love and care the 10 percent can be adjusted to a normal life. He said parents should make the child feel he is wanted. He said the school is quick to identify a disturbed child and go about giving him extra help. He also stressed the fact that parents should seek the advice of their ministers and psychologists when they have child problems.

Principal Warburton pointed out that harmonious family life makes for normal children. This especially applies to the teenagers. He said, "Being one of the crowd is not the highest culture, but being of service to the community is."

Deputy Randall of the Sheriff's Dept. said parents should be especially careful about purchasing articles for the children which could be made into a weapon. He said that even a Boy with a scout-knife should be strictly supervised. He said that if a parent knows his child has a willful bad conduct, he should not be allowed to have a knife or other such items. He said some children 4 to 6 years old have no sense of responsibility and need more teaching.

Randall told of the Mexican border being closed to juveniles. He said the border should be patrolled 24 hours a day, but the Sheriff's Department lacks manpower at the present time. He urged all parents to notify the Sheriff's office of any evidence

## Mrs Caldwell Is SV Firemen's Auxiliary Prexy

Mrs. George (Ann) Caldwell of 10336 San Carlos Drive, Spring Valley, was elected President of the Spring Valley Firemen's Auxiliary last Thursday, March 7. She succeeds Mrs. Frank (Lucille) Berger.

Other elected officers were: Mrs. Florence Rauscher, Vice-president; Mrs. Virgina Preston, Secretary; Mrs. Vivian Lawton, Treasurer; Mrs. Florence Heth, Chaplain.

Following the meeting the ladies exchanged gifts and revealed their "secret pal."

The Auxiliary will meet with the firmen Saturday, March 16, for a potluck supper and installation of officers.

A committee will be appointed to make plans for the annual Firemen's Ball, to be held June 15.

## Telco Garage Grounds Broken In Valley

Ground was broken last week for a new Telephone Company garage, to be built on La Mar Street, between Bancroft and Helix.

According to Bill Parker, Manager at the La Mesa branch, the garage will house 42 company vehicles initially. The location will also be the headquarters for 62 employees at the start.

The Christie Company, an Arcadia, California, construction company, will build the structure which will in turn be leased to the Telephone Company. It is expected to be completed some time in August. A permit for $52,000 was taken out on the job which includes garage, repair space, offices, supply and meeting rooms.

The ground on which the project is under way, was formerly in truck gardens.

## Dimmer View

(Continued)

growls we lend a sympathetic ear. Too often, with the ear tuned to the "squeaky wheel" we miss some of the more pleasant remarks aimed at us.

We give our readers a chance to correspond with us at least once a year when we send them a bill for the coming year's subscription. At this critical point the reader has decided he does or does not like us, and he jots his thoughts on the bill and returns it with or without payment, depending on his bent.

Across my desk this very day came three little notes which helped brighten the day. Says Mrs. Jessie Richie who lives on Lincoln Street, "We have lived here a year. . . . (in this) . . . garden spot of the earth. No resident should be without the REVIEW. Keep the good news coming."

From Mrs. H. L. Bowers who was an active member of the Lemon Grove Woman's Club until she moved away a couple of years ago came this note—"Don't faint now—bet you didn't know you had a faithful reader in Blythe."

From E. H. Groth of Hartzel Drive came a laconic but pleasant message. He said tersely: "Good paper!"

## 100 Sign Up For VLM Little League

Over 100 boys registered with the Vista La Mesa Little League last weekend. According to chairman B. E. Lester there is still room for a few more boys. He will accept late registrations at his home on weekdays or on the Vista La Mesa Ball Park on King Street on Saturdays.

Although rain stopped work on the backstop last week-end, the field should be completed well before the boys start league games May 18.

While the men are building the field the Women's Auxiliary is busy planning an enchilada dinner Thursday, March 14 from 5:30 to 7 p.m. at the Vista La Mesa Christian Church. Mrs. Helen Squires will prepare the meal.

Next meeting of the Women's Auxiliary will be March 20 at 10 a.m. in the home of Mrs. Ray Bullock, 3528 Citrus St.

The regular League meeting will be March 19 at 7:30 p.m. in Vista La Mesa School room 10.

## Golden P-TA To Elect New Officers

For 50c each Golden Avenue school parent and child will have a complete spaghetti dinner served at the Lemon Grove Junior High Cafetorium by the Golden Avenue P-TA Executive Board today (Thursday) at 6:30 p.m. Election of officers will be held at this meeting and the nominating composed of Mrs. M. E. Thill, chairman, Mrs. Evelyn Lauritzen, Mrs. Don Luscomb, Mrs. Sherman Menard and Mrs. E. F. Walsh, will present the following slate: President, Mrs. J. C. Gomes; 1st Vice-president Mrs. R. L. Gutshall; 2nd Vice-president, Mrs. George Holland; Recording Secretary, Mrs. Frank Duolin; Corresponding Secretary, Mrs. C. L. Hill; Treasurer, Mrs. Albert Detrez; Auditor, Mrs. Arthur Long and Historian, Mrs. E. F. Walsh.

Dr. Clifford Miller, North Park optometrist, and nation-wide lecturer will speak on "Vision and Learning" and Mrs. Ramona Jenkins, Lemon Grove Choral Club soprano will sing.

At the last board meeting Mrs. C. L. Hill, Health Chairman reported that the second in the series of three polio shots would be given April 20. Mrs. R. L. Gutshall, Membership Chairman, reported 100 percent membership of the parents in the Golden Avenue P-TA with a total of 581 members including 19 teachers and 217 men. The board has decided to give records (recommended by the teachers) to the school as their annual gift for films and developing. The By-laws Revision committee read proposed changes for the Constitution and By-laws which will appear in full in the school paper, "Newsette."

## M.H. P-TA To Hear Dr. Gardiner

"Do you want to Live Longer?" the speaker at the Monterey Heights P-TA meeting Thursday, March 14, at 7:30 in the school's cafetorium, will ask members.

Speaker will be Dr. Leon Gardiner, Chief, Division of Preventive Medicines, San Diego department of Public Health. San Diego County, whose chief concern is isolating those diseases, that because of our geographic situation, migh run rampant in San Diego. Dr. Gardiner will answer all questions of the members concerning this regional health problem, and to bring emphasis to the fact that "Your Health is the Community's Problem."

Slate of nominees for offices will be presented and voted upon at this time by Mrs. Irvin Major, chairman of the nominating committee. Members of the committee include: Mrs. Sue S. Spisak, Mrs. J. Durham, Mrs. K. Clarke and Mrs. W. Wolfarth.

**AREA NO. M HARDY DRIVE R.I.D No. 6006**

**NOTICE INVITING SEALED PROPOSALS**

Pursuant to the provisions of the Improvement Act of 1911 and to RESOLUTION (1) ORDERING CERTAIN CHANGES IN WORK TO BE DONE; (2) ORDERING ACQUISITION OF CERTAIN EASEMENTS AND (3) ORDERING WORK AND FIXING PREVAILING WAGES adopted on February 25, 1957 by the Board of Supervisors of the County of San Diego ordering the work described in said Resolution,

NOTICE IS HEREBY GIVEN that said Board of Supervisors invites and will receive up to but not later than 11:45 o'clock a.m. of the 26th day of March, 1957, sealed proposals or bids for doing the work and improvement ordered in said Resolution, to wit: Grading, paving, and installation of curbs in ROAD EASEMENT, LOT 2 OF LEMON GROVE ADDITION NO. 1, commonly known as HARDY DRIVE et al, AREA No. M, ROAD IMPROVEMENT DISTRICT NO. 6006, in the unincorporated area of the County of San Diego. Such bids will be received in the office of the Clerk of said Board of Supervisors, Room 208 City and County Administration Building, 3600 Pacific Highway, San Diego, California, and shall in open session of said Board of Supervisors be publicly opened, examined, and declared.

The Resolution of Intention adopted by the Board of Supervisors on August 23, 1956, as amended by said Resolution adopted February 25, 1957, is hereby referred to for a description of said work and improvement, the grades to which it is to be done, a description of the district to be assessed to pay the costs and expenses thereof, the bonds to be issued, and for all further particulars contained in said Resolution of Intention, as amended by the Resolution adopted February 25, 1957. Reference is hereby further made to the plans, drawings, typical cross-sections and specifications for said work on file as Document No. 210029 in the office of the Clerk of said Board of Supervisors, in accordance with which said work shall be done.

These proceedings are subject to possible validation litigation.

Copies of plans, forms of proposal, bonds, contract and specifications may be obtained at the office of J. H. MACK, County Surveyor, Room 014, Civic Center, 1600 Pacific Highway, San Diego, California, for the sum of $8.00. Said payment is not refundable.

The said Board of Supervisors, in accordance with the provisions of the Labor Code of the State of California, has heretofore established the general prevailing rates of wages applicable to the work to be done, which rates are as follows:

| Craft or Type Of Workman | Per Diem Wage |
|---|---|
| Carpenter, Journeyman | $24.00 |

| Universal Equipment Operator (Shovel, Back Hoe, Dragline, Derrick Barge, Clamshell, Crane or Pile Driver) | 26.40 |
| Drivers of Dump Trucks Water level—6 yds. but less than 8 yds. | 19.48 |
| Drivers of Dump Trucks—4 yds. but less than 8 yds. water level | 19.48 |
| Any classification omitted herein not less than | 18.40 |

**Overtime and Holiday Work**

Not less than one and one-half times the above prevailing rates of per diem wages shall be paid for overtime work and for work on the following legal holidays: All Sundays, January 1, May 30, July 4, Labor Day, November 11, Thanksgiving Day and December 25, with the modification provided by Section 6701 of the Government Code.

The said Board of Supervisors reserves the right to reject any or all bids, and to waive technical errors and discrepancies, if to do so seems to best serve the interests of the County of San Diego.

Bidders must satisfy themselves by personal examination of the location of the proposed work and by such other means as they may prefer as to the actual conditions and requirements of the work, and shall not at any time after submission of the bid or proposal dispute, complain, or assert that there was any misunderstanding in regard to the nature or amount of work to be done.

All proposals or bids offered shall be accompanied by a certified check payable to the order of the County of San Diego, or a bond, as is required by law, for an amount not less than ten percent (10%) of the aggregate of the proposal.

Dated: February 25, 1957.

HELEN KLECKNER,
Clerk of the Board of Supervisors of the County of San Diego, Room 308, City and County Administration Building, 1600 Pacific Highway, San Diego, California.

## LOCAL TEEN CLUB MAKES SV TREK

Members of the Student Council and the Teen Klub from the Lemon Grove Junior High visited the Spring Valley Junior High School last week in order to become acquainted with student government and student activities of that school. Approximately twenty students made the trip during the morning class hours.

Accompanying the students were Mrs. Evelyn Whalen, faculty sponsor of the Teen Klub, Richard Haynes, boys' counselor and sponsor of the Lemon Grove student council and Mrs. John Dail, parent chaperon.

The Spring Valley Junior High advisor, Richard Lance, welcomed the visiting students and took them to the auditorium where a general meeting was held. Following the joint meeting of the two student governing bodies, Lemon Grove students enjoyed a tour of the Spring Valley School led by Mary Francis, student body president at the host school.

Plans are now being made for an exchange visit or activity by the Lemon Grove students. The Teen Klub, a leadership and service organnzation, is made up of forty top students from the seventh and eighth grades. The student council, composed of about thirty representatives, is an elected body.

There's a good reason for the use of a sling on a deer rifle—one you'll appreciate if you had to pack your trophy out of the woods by yourself last trip out. Although the sling may not be needed for close-range shooting, it enables you to carry the rifle on your back along with the deer, thus leaving your hands free.

**It's a Joke, Son!** . . . Helix Hi social science teacher: Can you give me a definition of an orator?

Student: Sure! He's a fellow who is always ready to lay down your life for his country.

**Cool 'n Casual!** . . . Leave us take a brief off-beat glimpse of modern life, '57 version. Like . . . DIG mag has selected George Stevens as top director of '56 for his "Giant" work. . . . Then there's that one about the Grossmont Hi botany student that crossed a potato with an onion but got only a potato with watery eyes. . . . For the flaming followers of Kuldip Singh and Jill Corey here are the addresses of their fan clubs in our Golden State. For Kuldip write Brenda Dailley, 17550 Collins, Encino; and for Jill write Ben Garnett, P.O. Box 2064, Sacramento . . . 75 percent of State Colleg's bookworms have registered their roadsters in the main office making a total of 4,900 wheels. . . . Household Hint: Iy you want to have double closet space in your house, burn half your clothes . . . HIP records now has out Lord Richard Buckley's "James Dean's Message to the Teenagers." . . . And according to Cash Box mag the top band wagon in '56 was Lawrence Welk.

—BT—

**Glitterville Gab!** . . . If Natalie Wood was given a choice she'd pick Bob Wagner over Tab Hunter. . . . Leith Stevens, who scored the music behind Brando's "The Wild One," is doing the musical b.g. for "The James Dean Story." . . . Elvis Presley is starring in Metro's "Jailhouse Rock" to roll in May. . . . Jayne Mansfield is hep at speed-shifting her pink Jaguar. . . . Lemon Grove's Dennis Hopper will soon be seen in Warner's TV opener of a new series, "Sugarfoot." . . . Tim Hovey ("Friendly Persuasion") will squire Patty McCormak ("Bad Seed") to the annual Oscar hand-outs. . . . Rita Moreno bangs out a mean rhythm on her bongo's. . . . and Pat Boone claims his idol as Der Bingle of Crosby.

—BT—

**Hot Rods.** . . . are many times misconstrued for "shot rods', and to ask someone who knows, there is a world of difference. It really gripes me to see newspaper articles falsely accusing hot rods of being dangerous, cause accidents or damage. Granted, a few in the minority will cause wrecks but the true 'hot rodder' is a safe, conscientious driver regardless whether pushin' his wheels on drag-strip or on a public road.

A 'shot' rodder drives a dangerous piece of junk (and even sometimes nice wheels) and plays the role of Joe Idiot by chopping in traffic, jumping signals, speeding, opening his header plugs (drag pipes) and other incidents that shows childishness. True 'hot' rodders have good sportsmanship, drive safely and in many cases help stranded motorists. "Shot" rodders are barred from drag strips and are looked upon with scorn and empathy? So the next time you hear some one degrade a 'hot rodder' set them straight!

—BT—

**TV Star's Golfcourse.**

Television star **Mister Lucille (Desi Arnaz) Ball** plans on opening his Western Hills Golf course in Palm Springs on Mar. 29. His hotel will feature a sunken bar. Sez it'll take more drinks to get high. . . . Three Helix Hi alumni are pacing State College's cinderpath squad. **Jim Weldon,** '54, is the Aztecs number one timber-topper; **Jim Terry,** '52, is their ace pole-vaulter; **Dave Sucee,** '55, is one of their star milers; and former Grove resident and '56 Saints grad **Jack Ratelle** is an excellent middle-distance runner. . . . Secret time by the 'old-timers : A clever fisherman can always take a limit from Pauma Creek, located in rough territory off the north slope of Palomar mountain. Usually good catches of native rainbow.

**Cycle Record Falls**

**Brad Andres,** San Diegan and one-time attendee of S.D. JC, is the nation's second top motorcycle races in point standings. He was first last year. **Joe Leonard** of San Jose, California, recently busted **Brad's** 200-mile Daytona Beach record with a neck-breaking average of 98.52 mph. It bettered the old record by 3.95 mph. . . . Thanks to the La Mesa city council, Helix Hi will sport another baseball diamond bringing their total to four. Cost: $10,000. . . . **Ed Doherty,** new U of Arizona head grid mentor is relying heavily on San Diego products like **Joe Young and Ed Brown** of MCRD, **Martin Hurd** and **Jack Davis** of Camp Pen, **Sheldon Spicer** from Pt. Loma Hi, and **Kenny Berry** and **Bob Humphrey** from Hoover. . . Helix Hi isn't the only prep school to feature feline-track. Grossmont has it too—in fact they had it first.

**Fish Bite Good**

The water scaled animals are easily falling for anyone's hook-line-and-sinker as evident by the large catches taken in the southwest territory. Ramer Lake, betwixt Brawley and Calpatria has an abundance of bass; Crappie fishing on the Colorado River is picking up; Large strings of bass are snagged around Fisher's Landing at Martinez and Ferguson Lakes; and Imperial Valley fishing is gaining.

**Sportfacts**

This Sunday will feature drag-racing at Paradise Mesa drag-strip. . . . Congrats to Hoover Hi forward **Wayne Adams** for being selected the City League Player of the Year. . . . The Torrey Pine golf course will be similar to famed Pebble Beach, 'cept it'll be open to the public. . . . Lake Topaz is open the year round. . . . Out of 24 prep schools in our County, not one has a swimming pool. A little unusual for a city this size. . . . Boston Garden may be closed as college basketball is making for poor attendance . . . ## Masonic Relief Official To Address Hi-12 Club

Frank M. Hendricks, Secretary of the Masonic Board of Relief, will be speaker Thursday at the Mt. Helix Hi-12 Club, Dr. Calvin Nicholl, press chairman for the group said.

The club meets every Thursday noon at Michael's.

During last week's meeting, Walter Martel, sgt. at arms, was called from his club duties when his wife was run over by her own auto.

Her condition later was reported as "good."

**NOTICE TO BIDDERS.**

NOTICE IS HEREBY GIVEN that the HELIX IRRIGATION DISTRICT will receive, on or before 9:00 A.M., March 26, 1957, bids for the WINDSOR HILLS HYDRO-PNEUMATIC PUMP STATION, in the City of La Mesa, County of San Diego, California.

All items of work shall be as more particularly enumerated and described in the Bid Form and other contract documents forming a part of, and in strict conformity with, the "Plans and Specifications for The Windsor Hills Hydropneumatic Pump Station", available at the office of the Board of Directors of said District, 4769 Spring Street, La Mesa, California and shall include the following:

**SCHEDULE I**

ITEM 1. Furnish and install one (1) 12,000 gallon pressure tank 9 foot maximum diameter and 42 feet maximum length.

ITEM 2. Furnish all materials and construct a concrete block building approximately 13 feet long by 12 feet wide.

ITEM 3. Furnish and install all electrical wiring and appurtenances.

ITEM 4. Furnish and install all pipe, valves, fittings, pumps and compressor.

**SCHEDULE II**

ITEM 1. Excavate material above the grade noted; spread and compact said material.

The work shall include the furnishing of any and all required labor, transportation, services and material, for the hauling, distributing, excavating, laying, caulking, tapping or assembling, testing, backfilling for the construction of the Windsor Hills Hydro-pneumatic Pump Station and the excavation, spreading, grading and compacting as shown on the plans.

Award will not be made for less than all the items of a schedule. The bidder may make any stipulations he desires regarding combination of schedules for which he will accept award. The District reserves the right after opening bids to reject all bids or to select any of the schedules or combination of schedules, and make award to the lowest responsible bidder or bidders thereon and reject all other bids.

It is especially called to the attention of the Bidder that the total time granted for the completion of said work shall be 90 calendar days after notification to the Contractor to proceed.

Bidders are hereby notified that pursuant to the Statutes of the State of California, or local law thereto applicable, the Helix Irrigation District has ascertained the general prevailing rate of per hourly wages and wages for legal holidays and overtime work in the locality in which this work is to be performed, for each craft or type of workman or mechanic needed to execute the contract which will be awarded the successful bidder, and that these prevailing rates are contained in said specifications, adopted by the Board of Directors of said District on February 13, 1957.

The foregoing schedule of hourly wages is based upon a working day of eight (8) hours. The rate for legal holidays and overtime work shall be not less than time and one-half of the prevailing hourly wages. If any holidays fall on Sunday, the Monday following shall be considered a legal holiday.

It shall be mandatory upon the Contractor to whom the contract is awarded, and upon any subcontractor under him, to pay not less than the said specified rates to all laborers, workmen and mechanics employed by them in the execution of the Contract.

Each bid shall be made out on a form attached to and forming a part of the Specifications, which can be obtained at the office of the Helix Irrigation District, 4769 Spring Street, La Mesa, California, and shall be sealed and filed with the Secretary of the Board of Directors of said District on or before March 26, 1957, at 9:00 A.M., and publicly read aloud on or after 9:00 A.M. of that day in the office of the Board of Directors of said District.

Each bid shall be accompanied by a certified or cashier's check or bond secured from a surety company satisfactory to the Board of Directors of said District, the amount of which check or bond shall not be less than 10%, of said bid made payable to the order of the Helix Irrigation District, said check or bond shall be given as a guarantee that the bidder will enter into a contract if awarded the work, and will be declared forfeited if the successful bidder refuses to enter into said contract after being requested so to do by the Board of Directors of said District.

The successful bidder will be required to furnish a labor and material bond in an amount equal to 50% of the contract price, and a faithful performance bond in an amount equal to 100% of the contract price, said bonds to be secured from a surety company satisfactory to the Board of Directors of said District.

The bidder shall be required to submit with the bid a guarantee of bonds on the form provided in the Specifications. All Plans and Specifications shall be returned to the District, whether or not a bid is submitted.

No bid will be accepted from a Contractor who is not licensed in accordance with the law under the provisions of Division III, Chapter 9 of the Business and Professions Code of the State of California.

The said Board of Directors reserves the right to reject any or all bids and/or waive any irregularity in a bid.

Dated La Mesa, California, February 13, 1957.

**RESOLUTION NO. 6718**

**A RESOLUTION ESTABLISHING TIME OF HEARING OF PETITION AND GIVING NOTICE OF THE PROPOSED ANNEXATION OF AN UNINHABITED AREA KNOWN AS GROSSMONT PARK NO. 1 TO THE CITY OF LA MESA, A MUNICIPAL CORPORATION**

WHEREAS, there has been filed with the City Council of the City of La Mesa, a Municipal Corporation, a written petition signed by the owners of more than one-fourth of the land by area, representing in excess of one-fourth the assessed valuation according to the last equalized rolls in the Assessor's office of San Diego County, of the contiguous uninhabited territory hereinafter more particularly described, requesting that such territory be annexed to the City of La Mesa;

NOW, THEREFORE, pursuant to the Annexation of Uninhabited Territory Act of 1939 of the State of California, Title 4, Division 2, Part 2, Chapter 1, Article 5 of the Government Code of the State of California (Sections 35300 through 35325), the City Council of the City of La Mesa, California, hereby resolves as follows:

1. That the contiguous uninhabited area, the subject of such proposed annexation proceedings, shall be designated at GROSSMONT PARK NO. 1.

2. That the boundaries of the territory subject to such annexation proceedings and the true legal description thereof are as follows:

All that portion of Lot 279 of Grossmont Park Sub. No. 2, according to Map thereof No. 1318, as shown on Record of Survey No. 2078, both filed in the office of the County Recorder of San Diego County, State of California, more particularly described as follows:

Beginning at the southwest corner of said Lot 279 as shown on said Record of Survey No. 2078;

1. Thence North 0°56'05" West 242.16 feet along the westerly boundary of said Map No. 1318 as shown on said Record of Survey No. 2078 to an intersection with the northerly line of Mollywoods Avenue, as shown on said Record of Survey No. 2078;

2. Thence easterly and northerly along said northerly line of Mollywoods Avenue to an intersection with the northerly prolongation of a line that is parallel with and 20.00 feet easterly measured at right angles to the easterly line of said Record of Survey No. 2078;

3. Thence southerly along said northerly prolongation and parallel line South 17°34' East 146 feet to the beginning of a tangent curve having a radius of 184.92 feet;

4. Thence along said curve through a central angle of 31°36' a distance of 101.94 feet to the northeasterly prolongation of the line shown on said Record of Survey No. 2078 having a bearing of South 40°50' West;

5. Thence South 40°50' West 40.00 feet;

6. Thence South 28°22' West 189.75 feet to the southerly boundary of said Lot 279;

7. Thence North 89°53'45" West 447.83 feet along said southerly boundary of said Lot 279 to the Point of Beginning.

3. That notice be, and it is hereby given of the proposed annexation of said territory to the City of La Mesa a Municipal Corporation;

4. Notice is hereby given that on April 9, 1957 at the hour of seven o'clock P. M., of said day, at the Council Chambers at the City Hall of the City of La Mesa at Number 4755 Spring Street in said City, a hearing will be held at which time and place the City Council will hear protests made by any person owning real property within said territory;

5. The City Clerk of the City of La Mesa is hereby ordered and directed:

(a) To cause a copy of this Resolution to be published at least twice, but not oftener than once a week, in the La Mesa Scout, a newspaper of general circulation, published in the City of La Mesa, and also in the Lemon Grove Review, a newspaper of general circulation published outside the City of La Mesa, but in the County of San Diego (said publications to be completed at least 20 days prior to the above hearing date).

(b) To cause written notice of the above proposed annexation to be mailed to each person to whom land within the territory proposed to be annexed is assessed in the last equalized county assessment roll available on this date, at the address shown on said assessment roll or as known to said City Clerk and to any person who has filed his name and address and the designation of the land in which he has any interest, either legal or equitable with said City Clerk.

(c) To cause written notice of the above proposed annexation to be mailed to the Board of Supervisors of San Diego County.

(d) To cause the notices referred to in paragraphs (b) and (c) above to be given not less than 20 days before the above hearing date.

PASSED AND ADOPTED at a regular meeting of the City Council of the City of La Mesa, California, held on the 26th day of February, 1957, by the following vote, to-wit:

AYES: Councilmen Aceves, Logan, Harness, Nagel, Crosbie.
NOES: None.
ABSENT: None.

CERTIFICATE OF CITY CLERK

I, L. L. FREEMAN, City Clerk of the City of La Mesa, California, do hereby certify the foregoing to be a true and exact copy of Resolution No. 6718, duly passed and adopted by the City Council of said City on the date and by the vote therein recited.

s/ L. L. FREEMAN,
City Clerk.

**12 % OF ALL SCHOOL CHILDREN MENTALLY DISTURBED**

(Continued)

of liquor being sold to minors.

Claude Townsend said there is need for a Mental Health office in San Diego County. It would have to be established under the "Red Feather" project, he pointed out. He said that what little mental health assistance there is at present, comes through the schools.

Townsend said there are some 9,000 mentally disturbed persons in San Diego County, and that 3% of them are beyond help. He said we have a court to determine where a mentally disturbed person is to be sent, but no treatment; we have a mental ward at the County Hospital, but no treatment. The patient is eventually sent to an institution. There is a Veteran's Administration project for the mentally disturbed, but that is for veterans only.

Townsend further stated that there is a bill before Congress to help the mentally disturbed persons and he urged all persons to write to their Senators and Congressman, urging the passing of this bill. If passed the government will pay half of the costs, according to the report.

Persons needing help on mental problems are asked to contact Mr. Wylie in the "Family Service" Department of the County Welfare Department on "A" St. in San Diego.

All the discussion groups at the Town Meeting agreed that studies on preparation for marriage nad child psychology should be tanght in the schools, particularly in the high schools.

## ELLA GROSVENOR IN AUTO ACCIDENT

Ella Grosvenor, 51, 2034 Helix Street, Spring Valley, suffered chest and neck injuries in a left turn accident Saturday on Highway 80 at Greenville Avenue near the La Cresta turn-off.

She was treated at Grossmont Hospital.

**NOTICE TO CONTRACTORS INVITING BIDS**

NOTICE IS HEREBY GIVEN that the Lemon Grove School District of San Diego County, California, acting by and through its Governing Board, hereinafter referred to as the District, will receive up to, but not later than 8:00 o'clock p.m. of the 1st day of April, 1957, sealed bids for the award of a contract for the construction of Palm Avenue Jr. High School located at Palm St. near Golden Ave., Lemon Grove, Calif.

Such bids shall be received in the office of the Superintendent of said District at: 8025 Lincoln Street, Lemon Grove, Calif., and shall be opened and publicly read aloud at the above stated time and place.

Each bid must conform and be responsive to this invitation, the Information for Bidders, the Specifications, the Plans, and all the other documents comprising the pertinent Contract Documents. Copies of the Contract Documents are now on file and may be obtained in the office of Clyde Hufbauer, Architect, of said board at 1975 Fifth Avenue, San Diego 1, California.

Each bid shall be accompanied by a certified or cashier's check payable to the District, or a satisfactory bid bond in favor of the District executed by the bidder as principal and a satisfactory surety company as surety, in an amount not less than 5% of the maximum amount of the bid. The check or bid bond shall be given as a guarantee that the bidder shall execute the contract if it be awarded to him in conformity with the Contract Documents, and shall provide the surety bond or bonds as specified therein within five (5) days after notification of the award of the contract to the bidder.

The District reserves the right to reject any or all bids or to waive any irregularities or informalities in any bids or in the bidding. Preference will be made in the award for California made supplies, pursuant to Sections 4330 to 4334, inclusive, Government Code.

The District has determined the prevailing rate of per diem wages in the locality in which this work is to be performed for each craft or type of workman needed to execute the contract, which will be awarded to the successful bidder, to be as follows:

# WASHINGTON SUMMARY
## by ED KOTERBA

WASHINGTON — A good portion of a congressman's constituent mail holds complaints about U. S. postal service.

The taxpayers do not condemn the individual mail carrier. Apparently they're aware he puts in a hard day's work at mediocre pay.

The criticism is aimed at the postal system as a whole and particularly the deficient type of training the clerks and carriers receive from their supervisors.

There are other things, too—like the lack of courtesy among the higher salaried political appointees. . . .

For quite some time, readers have badgered this column to "do a story" on postal inefficiency. We resisted, for after all, what do you expect from a losing operation? Anyway, to err is human.

But the errors of our address became so frequent it got to be INhuman!

What hurt the most was the loss of a number of mailed checks. The checks were returned to the senders with the notation, "No such address," although the address was proper—down to the correct zone number.

At least one letter from Ohio was returned to the sender marked "address unknown." It's certainly odd that the same "address see' is known each time a bill comes!

One consolation: Nobody has yet postmarked me "deceased" like they did a neighbor not long ago. (A few days ago, she helped us celebrate the first month's anniversary of her funeral).

However, we did receive—three weeks late—a letter bearing our correct address, with the notation, "Missent to Walter Reed Hospital."

There have been so many letters marked "Missent" that the first lady at our house thought it was the signature of a woman clerk at the postoffice.

Not long ago, a package mailed from a Pennsylvania town 80 miles away was delivered five weeks later. Interestingly enough it was clearly marked "perishable." And, oh yes, it was sent special delivery. . . .

Another thing, while griping about the postoffice:

The Postoffice Department is apparently the most distrusting of government agencies. In Washington, at least, none of the postal officers accept a bonafide personal or business check in payment of stamps.

We phoned the postal inspector about our disappearing mail and asked corrective action.

He suggested we drop him a letter. We did—sent it certified mail, too.

That was two weeks ago. To this day, there has not been even the courtesy of an acknowledgment.

If it was sent, it was lost in the mails. . . .

**For your information, Ed., I recently received from Congressman James Utt. It arrived a week late. It was stamped "missent to Garden Grove." the Editor.**

## Local Girl On Farm Bureau Mexican Tour

Ruth Kerfoot, 8350 Alton Dr., of Lemon Grove is currently spending eight days in Mexico. She is a member of a special San Diego County Farm Bureau tour arranged by the Cal-Farm Service in Berkeley.

The tour, which left Tijuana March 9, include stops at Acapulco, Taxco, Cuernavaca, Xochimilco, and ends with three days in Mexico City before the group returns home.

A group including more than a dozen other residents are also making the tour.

## Mary Murch Becomes P-TA Life Member

**BOSS HONORS — Mrs. Donald (Mary Murch, Secretary to Principal Keith Dolan of the Spring Valley Junior High School, receives an Honorary P.T.A. Life Membership from her "boss" as Mrs. C. S. Williams, Founders Day Chairman (left) looks on.**

The newest member of 1957's group of honored citizens in Spring Valley, is Mrs. Donald (Mary) Murch, Secretary to Principal Keith Dolan of the Spring Valley Junior High School.

She was presented with an honorary life membership in the California Congress of Parent-Teachers, when the SV Junior High School P-TA had their meeting Thursday, February 28. The presentation was made by Mr. Dolan, who pointed out the irreplaceable qualities of his secretary.

History of the awardee was related by Mrs. C. S. Williams, Founders Day Chairman. The history included her birth in Kansas, graduation from San Diego High School, and marriage in 1948. Mrs. George Allen of Rolando Park is Mrs. Murch's mother.

The program was interspersed with songs through the years by a faculty quartet, duets, and solos by Mrs. W. Reineking and Donn Fenn, Paul Radenheimer, James Gray and Don Dion, and accompanied by Mrs. Max Yale and Miss Naomi Stein.

Mary Kay Murch began work with the La Mesa-Spring Valley School District in 1947, but it was her activities other than professional which earned her the recognition of service to young people, school, and community, including training of ofice helpers, sponsoring of school dances and other affairs.

She and her husband Donald share gardening as a hobby at their home, 10770 Eureka Road, Spring Valley, while Beta Sigma Phi is another interest of Mrs. Murch.

## Mike Roehm Back From Hospital Bones For College

Mike Roehm, Lemon Grove boy who was stricken with polio several months ago and has been in Children's Hospital since, under care of National Polio Foundation, which is supported by the March of Dimes, has been released from the Hospital to his parents and is happy to be home and his mother's cooking.

Mike goes to the Hospital for treatments every day. He has ben given his specially-fitted crutches and is learning to walk around the house with their aid. He has had his braces for some time.

"Our boy" is cheerful, studies correspondence lessons—he hopes to go to college in the Fall—never voices a complaint.

Mike will welcome visits from his friends and former schoolmates. His home address is 7562 Roosevelt St., Phone HO 9-0369.

And if you want to see a happy mother, who looks like a teenager since Mike has made such wonderful progress towards recovery from the dreaded polio paralysis, just call on Mrs. Roehm. Mr. Roehm is happy to have Mike home again, too. And three Roehms are grateful to the friends and neighbors who have helped them over the hump of despair that followed the attack. —D.H.

A MILLION MILES A DAY!

## Noon Closing Does Not Affect Saturday Mail Delivery

The recently published cut in Post Office hours at various offices in the county does not affect the carriers working out of the office and delivering mail on Saturdays.

The carriers work five days a week ,with their days off staggered each week, one getting the same day off in succession. It finally works out that a carrier gets a three-day holiday, Friday, Saturday and Sunday, which makes it very nice for the lady of the house, who can plan on a lot of chores for her "old man".

The following week his day off routine starts.

It is predicted that Saturday mail delivery will be discontinued some time in the future. That point is under discussion, we understand.

The 12 o'clock closing of Lemon Grove Postoffice has not caused inconvenience to patrons, so far as reported. Just remember to get a couple of stamps ahead of time. And mail your mail early!

## You've Got To See It To Read It Says Educator

Defects of vision and their effects on reading, were discussed by the Administrative Council of the La Mesa-Spring Valley School District last week's meeting. Miss Lyda Smiley, Coordinator of Health, led the discussion. She presented the results of vision tests administered to all fifth graders. The deficiencies noted included hyperopia, myopia, strabismus, astibmatism, mixed dominance (right hand, left eye dominance) and color deficiency.

Points emphasized included: vision deficiencies have a marked effect on the reading achievement—very few children with vision difficulties are provided with glasses much before the third grade—carelessly prepared ditto work and problems requiring the matching of colors cause difficulties for students with certain vision handicaps—hyperopia (far-sightedness) is a developmental factor in all children; most children outgrow it, but the rate of growth varies greatly among individuals. In order to help the child learn to read, a teacher must be aware of the child's visual limitations at all times.

## Central Staging To Be High School Play Feature

Central staging will be a key feature of Grossmont HiSchool's annual ASB play, which will be presented March 22, 23, and 30 in the school auditorium. In this way, the stage will be visible to the entire audience.

Terry Clough, Gary Shelltren, and Joe Sturz will carry the leading parts in the Irish-comedy "Playboy of the Western World," a Broadway hit written by John M. Synge. Other cage members of the cast include the following: Widow Quinn, Marilyn Medling; Michael Flaherty, Bill DeCamp; Old Mahon, Joe Moody; Jimmy, Mike Reed; Philly, Joe O'Connor; Sara, Leona Sherman; Susan, Nancy Beatty; Honor, Julie Ferrel; Nelly, Linda Jackson; Bridge, Susan DeGroot; Maureen, Sharon Allen; and Sharon, Sheila Spencer.

Tickets will be on sale at the door for $1.00 adults, 50 cents for children under 12 or reservations ($1.00) can be placed by calling HO 6-4155, Extension 51, and asking for Mrs. Lucy Young.

## BANCROFT SCHOOL DEDICATION MAY 5 SET FOR

A committee of the new Bancroft School, comprised of faculty and P-TA members, last Friday night set Sunday, May 5, as the date for the dedication of the Bancroft School. The program is scheduled to start at 2 p.m.

A program has been set up, but as to the persons taking part, that is to be decided. It is presumed that Bancroft School will be in operation about two weeks before the dedication. The program and other last minute plans will be published later.

In charge of table favors are Mrs. Norman Hillberg and Mrs. David Fulton. Serving chairmen are Mrs. Edward Anderson and Mrs. George Runyan. Mrs. Warren Hottenstein is lunch chairman and Mr. and Mrs. Sidney Morse and Mrs. John Vogel are dinner chairmen.

Mrs. James Yeo is in charge of reservations and she may be reached at HO 6-8698.

# SV Girl Wins LG Lions Speech Contest

Three cracker-jack speakers vied for top honors Thursday night when the Lions Club annual high school speakers contest was held at the Hayloft in Encanto.

Pat Mehl, 9388 Crest Drive, of Spring Valley, a senior at Helix was named winner. With only a small point separating them from top, John Koger, 6910 Waite Drive, a Helix senior, and Brenda Epperson, 3707 Hilltop, a Helix sophomore were runners-up. All won trophies. Donn Tarr, Helix speechcoach trained the speakers.

All of the speeches were well-developed and convincingly delivered, the judges declared. Winner will move up a step toward a $1,500 Lions International scholarship.

Program was under the chairmanship of Augie Pfeiffer.

# 4-H TV Dimmed By Fog

Spring Valley's and Lemon Grove's 4-H Clubs were televised March 7th. Various projects, including beef — this reporter's namesake was handled by Mike Knapp—showed a lot of life—rabbits and Goats and Sewing, Cooking and Electricity were demonstrated by members who have selected the latter projects.

The fog came up early and it was too dark to "shoot" the sheep or the Club members, but they will be televised at a later date.

The TV folks said that the event will be shown on Channel 10 either Saturday at 4:30 or Sunday at 4:30 or Sunday at 2:30.

Friday, March 8, Radio KFSD put the Lemon Grove and Spring Valley Clubs on the air at 9:30.

Saturday afternoon a display of projects will be held near the Big Lemon. Placards announcing this event were displayed in store windows, as the plans were made too late for announcement in The REVIEW. D.H.

**BANQUET SET FOR BAPTISTS MEN'S COUNCIL**

The Men's Council of the First Baptist Church of Spring Valley is all set for its Father and Son Banquet, this Friday night, Mar. 15. The dinner will be served at 6:30 p.m., in the church hall, Troy Street. Any man in Spring Valley desiring to take his son for an enjoyable evening of fellowship, may make his reservations by calling Rev. Nichols at HO 6-8125 (by Thursday). Tickets are $1 per plate. Rev. Lester E. Bond of Kensington Community Church will be guest speaker of the evening, following the dinner.

Wednesday morning, March 14, the Women's Missionary Society will hold its meeting at 10:30 a.m. in the home of Mrs Betty Lawrence, 7471 Madison Avenue, Lemon Grove.

"The Church and Its Traditions" will be the text of Rev. Nichols, at the Sunday morning services, March 17. In the evening he will be speaking on "The Mind of Christ."

# Water Bond $ Excursion Better Than Cook's Tour

The Helix Water Works directors scheduled a tour of new facilities last week to show interested bystanders "where that bond dough went" and it was as interesting an excursion as I've ever made. What the local water folks have given, are in a small way, some aqua-wonders of our age to the local scene.

The day started out bright and clear with a board meeting and all members being present except Director Nat Eggers.

The Directors have changed their seating arrangements since my last attendance. The new seating places Joe Levikow at the southeast corner, with President Levy on his right. Next to Rube, Secretary Margaret Penry, who takes the notes, then Harry Griffen and last but not least, re-elected Director Bob Rundell. Seated around the big table were Attorney Jennings, with Byron Miller opposite and Carl Watters on his right, right under the gun.

Number 1 on the agenda was the swearing in of newly elected Board members. Rube Levy was appointed President and Margaret Penry received the secretarial appointment, blushed becomingly when compliments were directed in her direction by Directors.

The witching hour of the excursion approached, time to start on a tour of several important projects that are in progress, with the bond issue of $5,230,000 that was voted by taxpayers last year paying the bills.

Bob Wilken, project engineer, headed the procession after the various officials and guests were assigned to seats. Mrs. Penry, in the front seat with Bob, and Byron Miller, Harry Griffen and yours truly in the back seat, comprised his "load."

First port of call was LEMON GROVE'S Reservoir, a steel structure to hold 4 million gallons of water, about 35 per cent completed. The frame is up and roof "rafters" are in place.

The first course of steel plates to form the sides are placed, and stel flooring of the 148 foot diameter, 35 feet high of the tank is down.

An automatic welder will "solder" the plates all around, and the completed structure will not rise above the top of the ground level of the excavation made to accommodate the huge tank.

Contract price for the tank, $319,340. I can see no reason for objecting to having the huge tank placed where it is, and its position high on the hill north of the REVIEW office will give plenty of pressure.

A. P. & H. truck-crane, with an 80 ft. boom, places the inch thick steel plates in position for welding. A huge engine powers six air compressors.

R. L. (Dick) Silvey is construction superintendent, assuring a good job.

A regulation "Casey", with a half moon cut out of the door stands serenely surveying the scene. It will be removed on completion of the tank, expected to be late in May.

Leaving the Lemon Grove structure, the party was taken to Helix Tank, another four million gallon structure. This tank, of concrete reinforced with miles of wire bound round and round, with cement "gunnited" over each section of the wire, will replace the Helix reservoir.

This new structure is 95 per cent completed, is expected to be in operation in a couple of weeks. Cost, $195,800.

Grading operations are going on north of the new structure, for a second cement tank of equal size, should future expansion be needed. Whether to keep the present lake in operation or let it go dry will be decided later. Five mud hens were swimming in the Lake when we were there and seemed to enjoy themselves.

The residents in the vicinity overlooking the lake are probably in favor of keeping it in use, as it is a beautiful sight, but I understand that there is some apprehension as to the damage that might be caused should the dam spring a leak. We shall see.

Third call was at Grossmont Reservoir, where grading operations enlarging the capacity 2½ times are 30 percent completed.

Cost of the project $656,700. The dam will be raised to 18 feet and cement and asphalt coating applied to bottom and sides.

Two new subdivisions have been platted to the near northeast.

The State maintains an inspection force on the job, which assures security to the residents below the dam, and security for the water in it.

Last visit of the party was to Civic Center, where plans for the new District Building were discussed and whether a circular or a straight structure would be built.

Bob Rundell had a date at Helix High at 1 o'clock, but had to go home first, so he left on foot for his car.

Other officials finally finshed their discussions, and all left for appointments.

The Civic Center will be outstanding when buildings planned are completed.

P.S. As of the end of February, the District had 23,322 meters in service, of which 980 are in El Cajon Annex. D.H.

**FAREWELL MEETING FOR MT. HELIX SHRINE OFFICERS**

Mt. Helix White Shrine, Order of the White Shrine of Jerusalem will hold its stated meeting Friday at the La Mesa Masonic Temple Friday at 7:30 p.m.

A farewell will be said to the retiring corps of officers including Mrs. Perna Braley, worthy high priestess and Frank Betsch, watchman of the shepherds.

# Four Area Men Join Dean Hess Air Squadron

Forty San Diego County young men departed Monday for San Antonio, Texas, where they will become the San Diego segment of the Southern California Dean Hess Squadron. Four of them are from this area.

The San Diego group will join 260 other members of the squadron to compose the largest group to ever enter the Air Force in the West in one day.

The squadron has been named after Col. Dean Hess, pastor, turned fighter pilot, whose work for the orphaned children of Korea has been the subject of many articles and broadcasts. The motion picture "Battle Hymn," currently being shown in this area, graphically portrays Col. Dean's exploits in Korea.

The group took a tour of Convair facilities, and, in the evening, were entertained at the Spreckels Theatre showing of "Battle Hymn."

The enlistees will receive basic training at San Antonio and later will be assigned to technical air schools.

Gen. Archie J. Olds, who led the recent flight of B-52 bombers around the world, swore in the new recruits.

President Allen J. Sutherland of Fiesta de Pacifico has delegated the San Diego segment as "official ambassadors of the Fiesta throughout the Air Force."

Many of the young recruits have attended San Diego schools and are well known here. They are enlisting for four years' duty with plans to take advantage of the aviation career that the Air Force offers.

Four local young men who will join the Southern California Dean Hess Squadron, are; Anthony E. Sprague, 8771 Dallas St., La Mesa, Calif.; Jack R. Barnes, 2363 Highview Lane, Spring Valley, Calif.; Donald L. Jones, 6160 Dalhart, La Mesa, Calif.; and Lloyd W. Hall, 7070 Broadway, Lemon Grove, Calif.

# State Jobs Open

The California State Personnel Board these days is listing quite a few state jobs that are open.

For example, needed are meat inspector, nursery inspector, shipping point inspector, many health and engineering posts, accident commission referee, and legal stenographers are but a few.

Information about pay, applicant requirements, etc., can be obtained from the California State Personnel Board, 801 Capitol Avenue, Sacramento.

There are three excellent ways to waterproof wooden matches. Quickest is to dip them in nail polish, which dries almost instantly. Melted paraffin also forms a waterproof coating. For most permanent results, dip matches in spar varnish.

Watchful eyes guard your voice when you telephone

Every time you make a phone call, a vast network of equipment speeds your voice to its destination. But a failure anywhere along the line could interrupt your service. So telephone people have worked out many ways to head off possible cases of trouble. For instance, in the maintenance center where Mike Sturtevant (above, left) and Stan Jansen work there's a new kind of line tester that checks the condition of thousands of lines an hour. It shows how well yours and others are working. In addition, telephone central offices have automatic trouble recorders that keep tabs on dial switching equipment. These recorders reveal trouble before it can interrupt routing of your calls.

Patrolling cross-country lines is another way we keep an eye on your service. And on microwave radio relay routes and many cables, built-in alarms sound off automatically back in a control center whenever trouble threatens. In all these ways, and many others, telephone people safeguard your calls round the clock. It's part of the dependable phone service you've come to count on.

Working together to serve you better ... The men and women of Pacific Telephone

## Notes And News About Woman's Club Juniors

SARAH W. BETTS

The Tuesday night meeting of the Lemon Grove Woman's Club, Juniors, was highlighted by the appearance of Mr. Claud Townsend, Executive Secretary, San Diego Mental Health Association, who spoke on "Local and State wide Service for the Mentally Ill."

Many juniors and their husbands are planning on attending the Lemon Grove Night at the California Theatre, on March 22nd, to see "THE TEN COMMANDMENTS."

Several members just finished typing and stuffing several thousand Easter Seal Envelopes. This project is somthing the Junior Clubs in San Diego County do every year in their spare (?) time.

The nominating committee was elected Tuesday night and the slate of officer candidates for next year will be presented at their next meeting, March 26th.

## John Bate To Address Joint Meeting Of Kiwanis-Lions Clubs

Lemon Grove Kiwanis Club will be guests of the local Lions Thursday night (March 14) at Michael's. John Bate, San Diego Port Director will be guest speaker.

Lions Club members said they would turn the Little League Baseball Park over to the young players after Sunday. Finishing touches will be put on the park Sunday afternoon. Lionesses will supply a box lunch for the laborers.

## THINGS DOIN' & BREWIN'

## About Civic Center

By DICK HENDERSON

In 1938 the Civic Center was almost completed, and the various county offices moved in early in 1939, with plenty of room and to spare. The basement was not finished until at least a year later. It was thought at one time that autos would be parked in the basement but that condition did not last, with so many departments demanding more and more room, and the overflow went to the basement. The building cost $1,800,000, with City, County and Uncle Sam's Navy sharing expense.

Nineteen years later the Supervisors appropriated $80,000 to enlarge their meeting place and provide offices for each Supervisor with a view of the Bay. A contract was let and the roof of part of the second story raised, and on March 5, 1957, the five members of the Board of Supervisors moved "back home" to remodeled chambers, with a 17x19 foot sounding board suspended from the ceiling to improve acoustics. Besides the five new offices, the seating in the new chamber has been reversed, with the Board members facing south and the audience looking to the north, and an air conditioning system for all. Besides a conference room, storage and kitchen space were added.

Elections will be held April 9th.

Mrs. Ralph Richardson and Mrs. Walter Shimp of the Seniors, and Mrs. William Miller and Mrs. Ralph Kraft of the Juniors, attended the District Conference at Fallbrook last Saturday. The new District officers were elected. The next District Board meeting will be held on April 3rd at San Dieguito.

Don't forget to get your tickets for the Senior's Fashion Show on April 6th. William's Department Store is putting it on and Audray-Carol are "Hatting" it. The Juniors will present their now famous (?) Musicale with some new acts and a mite more polish to the old ones.

Money received so far from the presentation of the Musicale will enable the Build a Better Community Project's Chairman, Mrs. Lee Nottingham, to purchase the projector that the Remedial Reading Teacher so urgently needs. We hope to have enough left over after the purchase to get some other supplies that she needs. The Projector and supplies will be presented at the March 26th meeting.

**Special Districts:**

## School Business Manager Gets 'Life' Award

By MRS. C. J. McMAHON

It is ever the intent of Parent Teacher groups to show deep appreciation for unfailing interest and untiring effort in behalf of the organization. To this end, Honorary Life Memberships were created as tangible evidence of the esteem in which they hold long and devoted service to our youth and children. So that all might recognize those who have been honored, a small pin was designed to be worn by Honorary Life Members only.

At the March Meeting of Mt. Helix Council C.C.P.T. held Wednesday in the San Miguel Cafetorium this pin was awarded to R. Paul Reynolds, business manager of the Lemon Grove School District whose faithful service to school and community has been outstanding.

Reynolds is superintendent of the Sunday School Department of the First Methodist Church of San Diego and serves as Vice Chairman of the Board of Directors of the Church. He is a member of the Kiwanis Club and is affiliated with the Masonic Lodge, is serving as treasurer

PAUL REYNOLDS

of the Youth Control Board of Lemon Grove and is active in all Swimming Pool money raising activities. His current project is Ticket sales manager for the showing of the movie epic "The Ten Commandments" proceeds from which will go toward the purchase of band uniforms for the new Mt. Miguel High School.

Mrs. H. K. Thurslund, honorary Life Membership chairman who presented the awards said "In fact, wherever you see an event for the youth and children of Lemon Grove you also see Paul Reynolds."

Also honored as a recipient of the pin was Dr. M. Ted Dixon, associate Superintendent of the La Mesa-Spring Valley School District. Dr. Dixon has been very active in school and P-TA affairs, in Scouting and all Community affairs in the La Mesa area for a number of years. One project to which he gave much of his time and effort was the Nan Couts Girls Cottage which was dedicated recently.

## Boy Scouts Explorer Units Seek Expansion

Adults interested in learning more of the Explorer program, of the Boy Scouts of America and young men holding elected offices in Explorer Units throughout the San Diego County Council, are invited to attend an Explorer Leaders' Basic Training Course on March 30 at Boy Scout Headquarters, according to Henry Batchelder, Council Leadership Training Chairman.

William Odle, Balboa District Training Chairman, is acting as host for the event, which will be held Saturday, March 30, from 10 a.m. to 5 p.m.

Participants are asked to bring a sack lunch and to come in uniform if possible. There will be no charge for the course. Handbooks and other literature will be available for those wishing to purchase them.

Instructors are being selected throughout the Council for men experienced in the Explorer Program and opportunities will be given during the course to share successful ideas and experiences in Exploring.

## Wage Variance Hurts Says Teacher Recruiter

Sam Sollecler, assistant superintendent of the Lemon Grove Elementary School District told the Board of Trustees Monday night that he had interviewed 60 candidates for teaching jobs in colleges in Arizona, Colorado and Nevada on a recruitment tour earlier this month.

Lemon Grove is finding difficulty acquiring services of new teachers because of the variance in minimum wages, he said. Lemon Grove starts at $3,900 per year. Many other districts are paying $4,200-$4,300. Twenty new teachers will be required when fall semester commences.

Services of an inspector, to check the soon-to-built Palm Avenue Junior High School were acquired Byron Netzley, school superintendent told the board.Man is Dewey Austin, an engineer certified by the State Department of Architecture. He will be paid by the district.

The board also announced that it was appealing the County Planning Department's requirement that a 40 foot easement be given for a road at the east end of the proposed junior high school property.

The meeting adjourned at 8 p.m. to allow members to attend a speech by Dr. Arthur Corey on school legislation at the San Diego City Education Center.

## 'Love And Marriage' To Be Vogue's Program Topic

The Vogue Section of the Lemon Grove Woman's Club will meet Tusday at 7:00 p.m. in the club house. There will be a member from the Lemon Grove School District office to discuss the important school legislation being considered in Sacramento. The regular program will follow featuring Dr. Bernard Kirby, professor of phsychology at San Diego State College, who will speak on "Love and Marriage." Discussion and questions from the audience will follow. Members are urged to bring guests. Hostesses for the evening will be Mrs. Orville Smith, Mrs. B. G. Collier, and Mrs. C. E. Curley.

**LOCAL LADIES CLUB GUEST AT SALAD LUNCHEON**

The Associates of the San Diego Art Institute held a salad luncheon in the Gallery March 4, with 109 ladies and nine men present. Table decorations were in green, and paintings by members of Lemon Grove Women's Club Juniors adorned the walls surrounding the luncheon tables.

After luncheon the ladies and their guests enjoyed a talk by Mrs. Sue Earnest, describing her recent trip through Europe.

If you visit Balboa Park soon, be sure and see the beautiful pansies, in six huge beds between the House of Charm and the Tower. They are marvelous and well worth a special trip. D.H.
